<u>Individual Oral</u>
Global Issue:
<u>Text Chose</u>
 Literary Work: A longer literary piece (such as a novel, play, or memoir) or a collection of shorter texts (such as poems or short stories) by the same author with an aesthetic purpose. (Philpot education)
Non-Literary Work: • A longer text or a collection of non-literary texts (including all forms of moving image) of the same text type with a unified sense of the author. (Philpot education)
